EARTH SCIENCE MAJOR, B.S. – 2016-2017

Paleobiology Emphasis

An initial consultation with a departmental advisor is essential before embarking on the major.

To be admitted to full major status, students must complete the 5 designated courses from the pre-Earth Science major with a 2.3 or higher grade-point average.

Recommended: Earth 18

UPPER-DIVISION MAJOR

54 UD units are required, distributed as follows:

A. Earth 104A ................................................................. 4
   Earth 105 ................................................................. 4
   Earth 114 ................................................................. 4
   Earth 134 ................................................................. 4
   Earth 160 (2 units) .................................................. 2

B. Earth 111-111L .......................................................... 6
   Earth 121 ................................................................. 4
   Earth 122 ................................................................. 5
   Two courses from: Earth 143, 144, 148, 149 or EEMB 102 ...... 8-9

C. 12-13 units from the list below chosen in consultation with an advisor: ........................................ 12-13
   Additional courses allowed if not used in the requirements above: Earth 143, 144, 148, 149, or EEMB 102

Note: Students are encouraged to consider a senior research project in paleobiology (Earth 199).

MAJOR REGULATIONS

PREREQUISITES ............................................................. Check the General Catalog for the prerequisites to all listed courses.
P/NP GRADING OPTION .................................................. Not allowed for any major courses (prep or UD major), including courses applied to the major from other departments, except for up to 3 units of Earth Science 160.
SUBSTITUTIONS ............................................................ In the major requirements permissible only by petition to the department chair and dean.
RESIDENCE REQUIREMENTS ........................................... At least 20 UD units in major while in residence at UCSB.
G.P.A REQUIREMENTS ................................................... At least 2.0 overall UC average in all upper-division major courses and all courses (Prep and UD) for the major, including courses in excess of minimum requirements.
DOUBLE MAJORS ......................................................... With the approval of each department chairperson, up to a total of 8 units may be applied simultaneously to both UD majors.
