PRE-MATHEMATICS MAJOR, B.A. or B.S./
PRE-MATHEMATICAL SCIENCES MAJOR, B.S., 2010-2011

Students must complete all pre-major Mathematics courses with a 2.5 or higher UC grade-point average. Courses in Area C are excluded as part of the pre-major grade-point average computation, but they are included in the overall major GPA. Students seeking entry into the Mathematical Sciences major must complete Area C courses with a grade of “C” or better. Entry into the pre-major does not guarantee admission into full major status. While completing this required preparation, the student will be classified as a Pre-Math or Pre-Math Science major.
