ECOLOGY & EVOLUTION MAJOR, B.S. – 2019-2020

To be admitted to full major status, students must fulfill the pre-biology course and grade point average requirements as described in the General Catalog. At minimum, they must complete twelve designated courses from the Preparation for the Major with a 2.0 or higher UC grade point average. Note: Hyphens indicate that an entire sequence must be completed as shown to fulfill an area requirement. A single course can satisfy only one requirement. Grades earned must meet the grade prerequisites for the full major.

PREPARATION FOR THE MAJOR

Courses with an asterisk (*) are listed in more than one area, but they may be applied to only one area.

A. Core Curriculum: One course required from each of the following categories:
   1. Ecology: EEMB 120 .................................................................
   2. Evolution: EEMB 131 (or Earth 121) .................................
   3. Genetics: EEMB 129 or MCDB 101A ................................
   4. Biometry: EEMB 146 .............................................................

B. Area of concentration: Three courses required from the following, including at least one from B1 and B2:
   1. Ecology: EEMB 119* (or Env S 119*), 128 (or Env S 128), 140*, 142A, 143, 147, 148, 152 (or Env S 152), 153, 159, 168, 171 (or Env S 171)
   2. Evolution: EEMB 101, 102, 108*, 130, 136* (or Earth 111*), 138, 180* .................................................................

C. Quantitative Biology Emphasis: One course (or course sequence) required from the following:
   EEMB 176-176L, 179, 180* ...........................................................

D. Biodiversity and Systematics Emphasis: Three courses (or course sequences) from the following, including at least two laboratory courses (underlined):

E. Electives: Additional UD courses offered in EEMB, or from Areas B-D above, or from any of the following to bring the total UD units in the major to 48: Anth 121; Earth 144; Geog 167; MCDB 101AH, 101B, 131, 132
   Recommended courses EEMB 142AL ......................................

Notes: Laboratory courses are underlined in areas A-E above. The following courses do not count toward upper-division major credit: EEMB 182, 183, 184 (except by petition), and 189. In addition, no more than 8 units of the following courses combined will apply: EEMB 184-199. Finally, a minimum of 32 units must be completed through courses within the EEMB Department.

MAJOR REGULATIONS

PREREQUISITES ................................................................. Check the General Catalog for the prerequisites to all listed courses.

P/NP GRADING OPTION ................................................. Not allowed for major courses (prep or UD), including courses applied to the major from other departments except up to 8 units of courses that do not allow letter grades.

SUBSTITUTIONS .............................................................. In the major requirements permissible only by petition to the department chair and dean.

RESIDENCE REQUIREMENTS ...................................... At least 20 UD units in major while in residence at UCSB.

G.P.A REQUIREMENTS .................................................. At least 2.0 overall UC average in all upper-division major courses and all courses (Prep and UD) for the major.

DOUBLE MAJORS .......................................................... With the approval of each department chairperson, up to a total of 8 units may be applied simultaneously to both UD majors.
