ZOOLOGY MAJOR, B.S. – 2021-2022

To be admitted to full major status, students must fulfill the pre-biology course and grade-point average requirements as described in the General Catalog. At minimum, they must complete twelve designated courses from the Preparation for the Major with a 2.0 or higher UC grade-point average. Note: Hyphens indicate that an entire sequence must be completed as shown to fulfill an area requirement. A single course can satisfy only one requirement. Grades earned must meet the grade prerequisites for the full major.

UPPER-DIVISION MAJOR

48 UD units are required in biological sciences, distributed as follows: ............................................................................ 48

Courses with an asterisk (*) are listed in more than one area, but they may be applied to only one area.

A. Core Curriculum: One course required from each of the following categories:

1. Ecology: EEMB 120 ........................................................................................................................................................... 3
2. Evolution: EEMB 131 (or Earth 121) .......................................................................................................................... 3
3. Genetics: EEMB 129 or MCDB 101A ............................................................................................................................. 3
4. Biometry: EEMB 146 ....................................................................................................................................................... 3

B. Area of Concentration: EEMB 112 and 113-113L and 116 ........................................................................................... 6

C. Regulatory Biology/Behavior Emphasis: Two courses required from the following:

EEMB 138, 143, 156, 157, 157B, 165 ............................................................................................................................................. 6

D. Biodiversity and Systematics Emphasis: One course (or course sequence) required from the following:

EEMB 103A, 106, 107-107L, 108, 111, 119, 127, 133 (or Env S 133), 136 (or Earth 111), 140, 144, 150A, 163, ............................................................ 6

E. Electives: Additional UD courses offered in EEMB, or from Areas C and D above, or from any of the following to bring the total UD units in the major to 48: Anth 121, 121T, 153T; Earth 144, 149, 111 (Geog 149); Ling 185; MCDB 101AH, 101B, 101L, 103, 111, 111H, 112, 112H, 112L, 133, 134, 151, 151H, 170 Recommended courses: EEMB 102 ........................................................................................................................................ 6

Notes: Laboratory courses are underlined in areas A-E above. The following courses do not count toward upper-division major credit: EEMB 182, 183, 184, and 189. In addition, no more than 8 units of the following courses combined will apply: EEMB 185-199. Finally, a minimum of 32 units must be completed through courses within the EEMB Department.
