MASTER OF SCIENCE DEGREE, CHEMICAL ENGINEERING
PLAN I - THESIS
2022-23

In addition to departmental requirements, candidates for graduate degrees must fulfill University requirements described in the "Graduate Education" section of the UCSB General Catalog.

*Chemical Engineering only admits students to the doctoral program. Students interested in only pursuing an M.S. in Chemical Engineering will not be admitted to the graduate program. A total of **30.0 letter graded units** are required for the M.S. program, 20 of which must be in 200-level courses in Chemical Engineering (or related fields subject to department approval). All students are expected to maintain a GPA of at least 3.0.*

THESIS
<p>All students are expected to write and defend an original Master's thesis. Following successful submission of the thesis, the student undergoes a thesis defense. Required coursework must be completed by the end of the quarter in which the thesis is submitted. The student's Master's Committee supervises the thesis research, administers the thesis defense, and certifies the completion of the required coursework. The committee must consist of a minimum of three UC Academic Senate members. At least two must be regular faculty members in the Chemical Engineering Department. Others may serve as additional committee members.</p> <p>M.S.
