Program Learning Outcomes

**G.E. Special Subject Area: Ethnicity**

In Ethnicity courses, students learn to identify and understand the philosophical, intellectual, historical, and/or cultural experiences of oppressed and excluded racial minorities in the United States.

***Students who successfully complete the Ethnicity requirement will be able to:***

- Analyze the experiences of oppressed and excluded ethnicities and groups.
- Understand the development of ethnic identities from a variety of perspectives.
- Situate their own experiences as students and learners of cultural and ideological contexts within the diversity of American society.
- Develop perspectives for understanding the experiences of ethnic groups and cultures.
- Develop strategies for interpreting cultural activities, traditions, documents, and/or the material cultures of members of particular ethnic groups.
